## HELP SUPPORT OUR YOUTH

### "CHILI TO GO" FUNDRAISER

**February 9, 2025**

Please stop by the table in the

Atrium, after church or after Sunday school on **February 9** to get a container of chili to go. There will be a good variety available.

They will be packaged in containers that are safe to microwave.

If you haven't signed up but are interested in joining, please get in touch with **Rena Thompson** or **Gwen Elmore** as soon as possible to be added to a team.

*(An excellent way to get to know fellow St. Andrew members and long-time visitors; learn more about members you've known for years &/or meet folks who've recently joined.*

*Also, lots of fun! ~Liza Tucker, Bagpiper Editor)*

## HELPERS NEEDED FOR CHILDREN'S SERMON

The Worship Committee is looking for volunteers to assist every-other-Sunday with the children's sermon during the Sunday service. They would like to schedule a rotation of volunteers with the following upcoming Sundays available: Feb 2, Feb 16, March 2, March 16 and March 30.

If you feel called to chat with our youngest attendees during the Sunday morning service, please consider signing up. Look for a sign-up sheet in the Atrium. Once a list of volunteers is established, a scheduled rotation will be set up.

If you have questions, contact **Shaun Nagy** or **Sylvia Ryder**, Worship Elders.

## As I mentioned in my sermon on

**January 12**, I am overjoyed to be with you and learn more about the people and missions of St. Andrew! My first

weeks have been filled with a variety of warm welcomes, including the many people who stopped by to say hello. Please do come by so I can put names with faces. (It's also an opportunity for chocolate!☺) I love your practice of Name Tag Sunday, and have already shared it with colleagues.

I'd like to address a few questions that folks have asked me in case others have the same questions. You can call me Pastor Lou, Dr. Lou, or just Lou (my preference). I plan to be in the office Mondays through Thursdays from 9:30 (ish) to 4:00 (ish) and you can always contact me via text at 757-373-2781 or email at

[revventura@hotmail.com](mailto:revventura@hotmail.com). There are times when I will be offsite at meetings; I am a trustee at the Presbytery of Eastern Virginia (PEVA), and also will begin a 3-year term in February on PEVA's Commission on Ministry (COM), which comes with monthly meetings as well as other responsibilities. I also am active in my DAR chapter.

Please Note: I'd just like to mention as a precaution that I will NEVER email or text anyone asking them to purchase gift cards. Email and text scammers are incredibly active and clever, and I just want to make sure everyone knows that this is not something I would do.

My husband, Ron, will be an occasional visitor. He remains a member at Franklin Presbyterian, and is currently an active elder there. Ron retired in 2023 from Anthem and holds down the fort at home. I am a pet-lover, although my husband and I have been pet-free since 2020 when our last cat, Murphy, passed at 19. He was one of four cats. Two dogs, Cooper the black Lab and Logan the yellow Lab, had also been part of our family. Ever since I was a pastor in Franklin, people have brought their pets to the church office to see me; somewhere in all the boxes in my office I have cat and dog treats, so if you are ever out and about with your furry babies, feel free to stop by and introduce us! That way I can get some puppy/kitty love (without all the work!).

My first few months here will mainly consist of getting to know you all and seeing how things are done. My goal is never to make changes right away (although sometimes this organically happens), and never to make

changes *just because*, but to thoughtfully explore circumstances and talk with as many people as possible before altering set ups, processes, or other aspects of church life. I recognize that I am only one person, with only one perspective, and as we are in ministry **together** in this time and place, my opinion and perspective are not always the prevailing ones. This is Christ's church, and we are all tasked with the responsibility to discern and affirm **together** where God is leading.

As we move forward, your individual voice will be a critical part of the collective thoughts and feelings about where St. Andrew has been and where you believe God is calling you as a congregation. Your input will be an integral part of preparing for your next installed pastor. I am enthusiastically anticipating great discussions and constructive thoughts on the past, present, and future of this congregation.

I remain delighted to be with you, and I am excited to see where God takes us!

~Lou

## ADULT CHURCH SCHOOL CLASSES

**All adults are invited to join one of our classes in the Education Building from 11:00 – Noon, each Sunday following the worship service. Select a class that sounds interesting to you and feel free to join in at anytime during the session.**

**They Walked with God: 40 Bible Characters Who Inspire Us** by Max Lucado: Each week the class will look at a different character in scripture, exploring their story in the context of their time. Author Max Lucado brings these characters to life and shares the crucial message: If God can find a place for each character in the Bible, we can rest assured that he's carved out a spot for us, too. **The Homebuilder Class**, comprised of parents of children of all ages and led by **Karen & Mike Topping** and **Becky & Shaun Nagy**, will continue this study and meet in Room 101 on the first floor of the educational building.

**A Study of Hebrews: Looking Forward in Faith** by William Carter: This seven-session study of Hebrews seeks to help Christians grow strong in their faith by pointing out that, in Jesus Christ, God has provided for them all that is needed for their redemption. The lessons focus on aspects of God's provisions--the living Word, the promise of rest, the Great High Priest, and the new covenant--as well as that which God expects--confident faith, disciplined commitment, and daily Christian living. **The Jack Holladay Class**, led by **Frances Jornov** started this new study on January 26. It meets in Room 206 on the second floor of the educational building.

**Gospel of Mark: A Beginner's Guide to the Good News** by AJ Levine: The class will study the Bible's earliest source for the life of Jesus with scholar Amy-Jill Levine as she examines John the Baptizer, the Little Apocalypse, the Transfiguration, and several of Jesus's most notable stories and parables. The Good News of the gospel message comes alive in this book as we see Jesus as divine and human, powerful and weak, approachable yet mysterious. The book features an in-depth study of select passages and illuminates the Gospel in its historical context and as a source for the other gospels. **The Challenge of Faith Class**, led by **Steve Suhring**, meets in Room 204 on the second floor of the educational building.

## **ST. ANDREW CHURCH RETREAT**

There are two rooms (one king bed, one bunk room) still available for the Adult Retreat, March 9 – 13, 2025, at an oceanfront beach house in Corolla, NC. There are 9 bedrooms total, each with its own bathroom. Plan to join your church family for a few days of Christian fellowship, shared meals, devotions, and free time for reading, shopping, sightseeing, or strolling on the beach. ## **CONGREGATIONAL CARES AND CONCERNS**

The Congregational Care Committee needs your help! If you know of a church member in need of visitation, a phone call, or maybe just cheering up, let us know! Our committee sends cards, makes visits, and contacts anyone in need for any reason, but we can't do it alone. We depend on our church family to keep us informed, so please don't hesitate to contact **Rena Thompson** or **Gwen Elmore** and help us stay in touch. Heartfelt thanks for your love and commitment to our St Andrew family.

## **HOMEBOUND VISITATION**

The Congregational Care Committee coordinates visits to our homebound church members who would like visitations. Visitation for our homebound members is a wonderful way for our St Andrew family to show they are not forgotten. If you are interested in joining our team of committed volunteers, or would like a visit, please see **Gwen Elmore** or **Rena Thompson**. Thank you all for your care and compassion!

## **PRAYER TEAM**

*"This is my commandment, that you love one another as I have loved you." ~John 15:12*

One way that St. Andrew is looking to fulfill this commandment is by offering a time of prayer with a prayer partner in a comfortable and private space immediately after worship. If you would be comforted or encouraged by prayer, we will have someone available to pray with you in the parlor located in the hallway by the restrooms. All conversations will be kept confidential.

~Angie Hillis-Baurle

## **Please keep David McKercher**

and his family, in your prayers. David's oldest son, Matthew, passed away suddenly on January 9, 2025. David is a long-time St. Andrew member and our former Clerk of Session.

**Net (Current Assets – Current Liabilities) = \$226,928**

Our income for December was \$59,596, by far the largest monthly income for the year. Some end of year IRA contributions were largely responsible for the increased income. Our expenses for December were \$29,705. This was the second lowest monthly expense for the year. Together, the result was a monthly net income of \$29,891 and a net income for the year of \$86,110 – a nice Christmas present for St. Andrew.

Compared to our annual budget, our actual income for the year was \$513,812 vs. the budgeted amount of \$521,850. Our actual expenses for the year of \$427,702 were significantly below the total budgeted amount of \$528,805. This large difference was mainly the result of reduced payroll expenses.

Our net current assets minus current liabilities (mostly earmarks) was \$226,928. In addition to our current assets, we have \$715,475 in our endowment funds and our only long-term liability is our mortgage balance of \$412,281. Our mortgage must be refinanced in a few months, and with high inflation, we will almost certainly be paying a higher interest rate than we have on our current loan.

**The church's finances are in good shape!** Thanks to all of you for generously supporting St. Andrew with your donations, your time and talent, and for helping us be good stewards of the church's resources.

~Finance and Stewardship Committee

**HELP KEEP ST ANDREW PEST FREE!**

The change in the weather has increased the presence of mice in the church facilities. To help abate the problem, we've established the following procedures:

- No food left on tables and countertops, unless stored in a sealed plastic/metal container or placed in the refrigerators.
- All counters, tables, etc., must be thoroughly wiped down after food has been served.
- All committees serving food on Kirk Night or other events are responsible for taking trash bags to the dumpster at the conclusion of the event. If assistance is required, please notify a member of the Property Committee.
- Pet food/birdseed must be stored in a sealed plastic container. Unopened food in cardboard containers

(ex: breakfast cereal) should also be placed in sealed containers.

Please do your part to keep the church clean and free of items that attract rodents. Please see one of the Property Deacons if you have any questions.

~The Property Committee

**SUCCESSFUL CAPS NIGHT SHELTER**

**Thank you** to everyone who provided food and volunteered their time to help with the CAPS Night Shelter. With our combined efforts, we were able to give our guests 3 meals a day in a warm and safe environment. Thank you for being the hands and feet of Christ.

-Angela Hillis-Baurle

## Music Notes from Al

### Happy New Year!

First, I would like to thank those you who participated in the music ministry at St. Andrew for a wonderful fall 'semester', during which we presented a collection of familiar Christmas carols and songs arranged by John Rutter in December. In addition to our wonderful choir, we were joined by a few of our combo instrumentalists and I couldn't have been more pleased with our presentation!

Along with the choir and the combo, the Celebration Ringers (handbell choir) make up our ongoing music ministry. In addition, the Music Makers (youths in grades 1 up to youth group) participate in worship at least once per Kirk Night season. I'm so pleased that **Cara Boyle** has taken on the role of leader of the Music Makers for last season and this season. She does a great job with the kids!

All the members of the St. Andrew music ministry have been so generous with their time and talents; it is a joy for me to share the musical leadership of our services with them.

Would you like to become involved in the St. Andrew Music Ministry? It's never too late to get involved - there is room in the Chancel Choir, the Bell Choir and the Combo.

**The Chancel (singing) Choir** rehearses on Wednesday nights from 7:30-8:30 (when KirkNight is not in session, we begin at 7); the ability to read music is helpful, but not required - all ages from grade 9 and up are welcome! AND you have reserved seats for the service!

**The Celebration Ringers** (handbell choir) rehearses on Tuesday nights from 7-8:15 - there is room for a couple more ringers - the ability to read music is necessary for the bell choir.

**Our Combo** rehearses on Sunday morning at 9:00am in preparation for the service - our instrumentation is very eclectic and flexible - if you are an instrumentalist, we have a part for you!

If you are interested in sharing your talents, please speak with me (Al) after Sunday service, or contact me by phone (757) 416-2478 or via email

[music.standrewpres@gmail.com](mailto:music.standrewpres@gmail.com).

See you in worship! ~Al.

~Al Reese, Music Director

## PRAYERS & SQUARES

February meetings will be Friday, February 14 and Saturday, February 28 at 10:00am in St Andrew Hall. Come enjoy time with other St. Andrew members and help make prayer quilts. If you've been attending before, please bring whatever project you have and are working on. If you are interested in learning about quilts and sewing, come see what we are doing in February.

We have many quilts ready to be dedicated and given to someone in need of prayer. Please don't hesitate to request a prayer quilt. If you would like to request a prayer quilt for a friend or family member, please complete a request form and put it in **Frances Jornov's** box or contact her at [francesjrnv@charter.net](mailto:francesjrnv@charter.net) or 757-646-8955. Also there are Pocket Prayer Squares in the atrium that you may take to include in a card or give to someone. Say a prayer, tie a knot and pass it to your friend or relative. They will fit in a pocket or purse and the person can take your prayers everywhere with them.

There are three sewing machines in the Prayers and Squares closet. If you are 12 years old or older, give Frances a call to let her know of your interest in learning to sew or if you need a review to use your sewing machine. Frances would like to have a beginner's sewing class. You may use one of our machines or bring your own.

The Prayers and Squares group will also begin creating quilts to be given in December for the Angel Tree gifts. If you sew and would like to help make quilts for this project, let Frances know. You can work at our meetings or you may get supplies from us and sew at home.

Come join us! You don't have to sew--we need help putting the ties into the quilts, pressing fabric and matching fabric for future quilts. And don't forget we do enjoy the visiting! Looking forward to seeing your smiling faces!

~Frances Jornov

## FLOWERS

Thank you to everyone that has been able help with the sanctuary flowers; they make a lovely addition to the service! If you appreciate seeing flowers on Sunday morning, please consider helping by either signing up in the Flower Book at the Kiosk, or if you are more of a last-minute person, just call or text and we will work something out. Many flowers are purchased, but if you have a green thumb and something in your garden to share, that is equally appreciated. There is also the option to put something in the bulletin if you would like to have flowers in honor or memory of someone or a special occasion. If the flowers are not being picked up after church, they will be taken to brighten someone's day! As always, if you have any questions or need any assistance getting flowers, don't hesitate to reach out to **Deborah Banks** at 757-647-9157 call/text.
